Section 278 of Public Law 97-248, The Tax Equity and Fiscal Responsibility Act of 1982, extended Medicare coverage to Federal employees and required them to pay the Hospital Insurance portion of the FICA tax beginning January 1, 1983. Federal employees earn actual Federal quarters of coverage (FQC's) for Medicare purposes through payment of the tax.

Under the transitional provision of the law, any person who was employed by the Federal Government at any time during January 1983 and who had also been employed at any time before January 1, 1983, receives deemed FQC's alone or in combination with regular Social Security quarters of coverage. The attached OPM Form 1528, Notification of Earnings for Medicare Eligibility and SF 2806, Retirement Card, serve as proof of actual Federal quarters for Medicare benefits. Please keep these documents for your records for use should you need to obtain Medicare.

If you should have any questions, please call BRADLEY KLIETHERMES 816-823-3906
